

**REMARKS:**

In the Office Action dated May 30, 2007, claims 1-9 and 16-19, in the above-identified U.S. patent application were rejected. Reconsideration of the rejections is respectfully requested in view of the above amendments and the following remarks. Claims 1-7 and 9-19 remain in this application and claim 8 has been canceled.

Claims 1-9 and 16-19 were rejected under 35 USC §112, second paragraph as lacking enablement for inhibiting any and all urokinase associated malignant tumors. The claims now recite the cancers indicated as enabled on page 13 of the office action. In view of this amendment, applicants request that this rejection be withdrawn.

Claims 1-9 and 16-19 were rejected under 35 USC §112, first paragraph, as lacking enablement for complete inhibition. The claims have been amended to indicate that the method is for treating the tumors. In view of this amendment, applicants request that this rejection be withdrawn.

Applicants respectfully submit that all of claims 1-7 and 9-19 are now in condition for allowance. If it is believed that the application is not in condition for allowance, it is respectfully requested that the undersigned attorney be contacted at the telephone number below.

In the event this paper is not considered to be timely filed, the Applicant respectfully petitions for an appropriate extension of time. Any fee for such an extension together with any additional fees that may be due with respect to this paper, may be charged to Counsel's Deposit Account No. 02-2135.

Respectfully submitted,

By       /Monica Chin Kitts/
